Author & Illustrator Marty Kelley Visited Our School!

Marty Kelley Visited Our School.

Author and illustrator, Marty Kelley, showed us how he creates his books and art. We learned where ideas come from, how many times authors have to revise their work, and how he creates the illustrations for his books.

Visit Marty's website for even more fun. You'll find signed books, free art & writing activities, and sneak peeks at new, top-secret book projects. Share the love of writing and creating art with your entire family.
