

Holidays can be a lot of fun. Many people celebrate holidays with special traditions. Some holidays have music or food associated with them. It's your turn to invent a brand-new holiday!

Come up with a name for your holiday and describe some of the ways people celebrate it. Why do we celebrate it? When do we celebrate it? Are there food or music traditions that go along with this holiday?

Draw people celebrating your new holiday and write some details about it. Add as much detail as you can.

Share your art and ideas with someone.
